Players are expected to attend all practices and games. If a player misses practice they will be missing important instruction and team chemistry. Not only will players that are absent be affected by their absence, but their team mates will be missing out. It is up to the coaching staff's discretion on the amount of playing time the athlete will receive due to missed games and practices. All athletes are expected to play in every game or match, however playing time may vary, depending on player's work ethic, practice attendance, skill level, team role, attitude and behavior both on and off the field/court/mat.

All paperwork must be complete and turned in on or before their sports due date to be able to compete in that sport. Due dates and seasonal sports will be posted on our web-site and e-mailed in the Thursday folder. All paperwork will be good for the school year. Fees are \$100 per middle school sports, and \$35 per club sport.

EXPECTATIONS FOR ATHLETE AND PARENT/GUARDIAN

EXPECTATIONS FOR STUDENT ATHLETE

- Student athletes are expected to attend all practices and games
- Must show respect for your teammates, referees, and your coaches at all times.
- Show good sportsmanship at all times.
- Improve your skills.
- Represent C2E in a positive way, on and off the court/field/mat.
- Have fun and make friends.
- Have good communication with coaches.
- Maintain good grades and good citizenship in classes. A student that has more than one **D** or only one **F** will be ineligible for the following week's competition. Grades are pulled on Wednesdays. Students are then told and given until Friday of the same week to bring the grade up. If on Monday the grade is not up then the student starts a one week ineligibility period. The whole process is then repeated for the next week.

EXPECTATIONS FOR PARENT OR GUARDIAN

- Be positive and encourage all of the players.
- Provide or arrange for transportation to and from all practices and games on time.
- Ensure your athlete will be picked up promptly from all practices and games.
- Refrain from making any negative comments about your athlete's coaches, or teammates, in their presence. This plants a negative seed in your athlete's head that can negatively influence their motivation and overall experience.
- Communicate in advance any missed practices or games that you know your athlete will miss. E-mail is the preferred form of communication.
- Remember you are not the coach, so refrain from shouting out instructions or offering your opinion during the game or match.
- You are expected to not shout out things or opinions at the officials during the game or match.
- Help your athlete to keep it all in perspective by keeping it in perspective for yourself as well.
- When situations occur relating to your athlete raise concern (pertaining matters about your athlete only) please follow this chain of command to resolve the situation:
 - 1) Encourage your athlete to seek out their coach to meet in private.
 - 2) If the above is not solved to your liking then arrange a meeting with the coach outside of the game or practice times.
 - 3) If you are still not satisfied arrange to meet with the athletic director.
 - 4) Finally if the problem is still not rectified arrange to meet with the director or assistant director.
- At no time is it your right to approach or confront your athlete's coach before or after a game or practice to express concerns about a problem you may have.

I (parent, student athlete) have read and understand the expectations for student athlete and parents to participate in athletics at C2E.
