**Nov. minutes reviewed:** Minutes approved

**SAC meeting time changes:** Alternative meeting times beginning next month, to help meet the needs of all members.

**Subcommittee Update:** Susan spoke to Leslie about forming a PTA and Leslie showed interest in the idea. When brought up to the group, Donna Schulte proposed the idea of a PTO as that is not a national organization. Susan requested that we start research/groundwork to establish a PTO for next school year.

Requests and recommendations for changes or additions to the website, please start collecting these to be brought up a next meeting.

**SAC member Bios:** Many members still need to submit these to Susan. Please do so as soon as possible.

**Update from Linda Parker:** Test schedules on report cards. Discussion on having teachers put comments on report cards. Some are and some are not. Concerns about whether CSAP letter was received by everyone were addressed.

Linda reviewed how the budget process works for next school years budget. She also explained who reviews and approves the budget.

Mid year update, 7 families left the school over the winter break. Most were due to moves. The school will see a loss of students in the 2007-08 school year. This is due to the opening of a new school in Stonegate Jan. of 2008. The wait list for C2E is still strong at over 1000 students.

**SAC end of year survey:** this year the governing council will do the parent survey. They have undergone several changes and would like the opportunity to survey families on the effectiveness of these changes. Leslie asked that SAC prepare a survey for the fall of 2007 to collect information on what families would like to see SAC do for next year. Please be thinking of questions for this new fall survey.

**Community Concerns:** One letter from a parent was brought up to the group; Linda advised that the subject matter should be directed to Leslie. Number of dress down days and how they are earned was addressed. Also communication of dress down days to parents was discussed. Having teachers put it on the website for parents to double check was requested.

**Motion to adjourn:** 7:15 p.m. Motion approved.
