February Minutes approved with changes

FTE Monies (Full Time Equivalency): Linda Parker and Leslie Tallakson have been discussing what they should do with the funds received. They have been discussing the possibility of the funds being used to increase the literacy of the students. Leslie is taking into consideration all suggestions.

Discussion on new SAC bylaws: It was noted that Debbie Novatny was going to be sending over the new rules and regulations. Many comments were brought up; Colorado School Laws 22.7.105 was cited. There was discussion that all members must serve two year terms and that members may serve two consecutive terms. There was discussion that SAC does need to remain its own entity, separate from Governing Council. It was noted that Leslie Tallakson was in favor of moving forward with the PTO notion.

Elections: It was discussed that the SAC elections should be done the first week of May. Leslie Tallakson was considering holding off on elections until the beginning of the 2007-2008 school year, yet prior 10/31/07 to bring on new parents. It was noted that Governing Council elections were to be held in the spring. There was more discussion that the two councils remain separate and therefore it would be better to have the elections separate. It was noted that we could advertise that elections will be made in the fall at the Back to School Night functions. It was noted that the elections could then happen soon after that.

School Survey: The question was posed that the school survey should reflect "What do you want from your school?", "What can we do for you?" It was noted that the school survey could be done at the beginning of the year so that we could evaluate the ideas of the parents. We brainstormed on ideas for the school survey. See Exhibit A.

PTO: Susan Perkins prepared a very comprehensive draft of a PTO plan and document. Document is attached as Exhibit B. There were several ideas and some changes that were discussed to be made to the document. Susan Perkins was going to present the draft to the Governing Council at their next meeting.

Website Recommendation Committee: Tabled until next meeting

Community Concerns: Tabled until next meeting

April Agenda Items: It was noted that all items should be emailed to Susan Perkins
