School Advisory Council Meeting Minutes
December 4, 2008

1. Call to order at 8:06 am
2. In attendance, Donna Mitchell, Stephanie Zvonek, Pipper Prach, Kimberley Hubbs
3. Approved Sept. and Oct. minutes with the addition of Stephanie's name to Oct. attendance and a correction on Donna's name.
4. Update from Donna: Donna informed us that we can use the Zommerang software when we do our survey as it is working well for governing council. The school is looking at changing t-shirt companies and will let us know when they have done so. At this point our CSAP project came up and we discussed the ideas the SAC has regarding helping with the snack program, communicating with the parents before CSAP begins and the dates that we would be implementing these ideas. We will put the letter and needs together at our January meeting.
5. DAC and PVA representatives were absent.
6. SAC Survey: Linda has asked that some of the survey address how we are doing at C2E against the district end statements. We will look at finding the right questions to ask to get this feedback from the parents. At this point we looked at last years survey and discussed volunteerism and how it has improved and what we still can do to promote it in the school. We will also communicate what improvements came about from the last survey.
7. Community time: no one present
8. Meeting adjourn 8:55
