The meeting for our school and other Parker charter schools will be next Thursday at 9:30 am. SIP, we overviewed the reading and math goals for next school year. The last page of the SIP included a SAC info sheet. A discussion of the idea of voting for the staff member to the SAC began; we will finish this discussion in August. The SAC was asked to complete the Academic survey; we completed it as a group.
- E. Update from Paulette-was unable to attend the last SAC Charter School meeting, many school were not represented. She also informed us the governing council would be open to the idea of having an election week next spring where all three groups could run their elections during the same week to make elections more efficient for parents. All groups being governing council, SAC and PVA. Governing council members will plan on rotating through the PVA meetings next year.
- F. Update from Rebecca-the sock hop was and kindy buddy day were both very successful and went smoothly as planned. The end of year picnic is quickly approaching and we still need volunteers.
- G. Survey Results-we reviewed survey results as a group, each member was given a copy. I asked all members take it home and think about the results and then email any action items they have in mind for next year. The SAC will take the results to the governing council with any ideas we have. Please have responses back to me by May 15th.
- H. Elections-due to the fact we had no one turn in an "Intent to run" for the position open, we decided to postpone the election until next fall.
