School Advisory Council Meeting Minutes
November 5, 2009

- A. Call to order 8:05 am
- B. In attendance: Kristin Noll, Piper Prach, Stephanie Zvonek, Paulette Gleason, Rebecca Keeler, Kimberley Hubbs
- C. Motion to approve Oct. minutes, Paulette 2nd, minutes approved
- D. Update from Donna: is getting a quote on a new swing set for the play ground, once we have it we can determine what our fundraising goal will be, if we decide to go ahead with swing set. The need for a new fence around the playground also came up. This may be an item the school will pay for with money available in the budget. We have been in a very positive financial position for the past few years; however the school will be facing two years of large cutbacks from the state and district and is already planning for that now.
- E. Update from Rebecca: the next PVA meeting is Thursday Nov. 12. Current events are; Book Fair, Grandparents day and we just finished the Butter Braid sales which were profitable again this year. The PVA would like to purchase a people counter to use at events for a more accurate count.
- F. The SAC meetings will be held in the library through the end of this year. The SAC will run the CSAP snack program this year.
- G. Community Time: Sandy Skudneski had comments on the school's communication process and the Thursday folders. This lead to a conversation about improvements to the Thursday folder and PVA press. The over all group input is to condense the Thursday folder and use more links for forms and specialized information. This will be addressed again at future meetings.
- H. Meeting adjourned 9:01 am
